Organization Mission:

Board Positions/Qualifications Needed:

Applicant's Commitment

- We commit to following up with interested individuals in a timely manner.
- We commit to informing The Next Curve if a member joins our board.
- We understand that The Next Curve cannot guarantee a match.

Please check the best practices that your board follows:

- The board has approved a board member job description.
- The board offers new members a formal orientation process.
- The board produces plans for the organization, regularly monitors progress and updates them annually.
- Board-approved ethics and conflict of interest policies, including a prohibition against commission-based fundraising, are in place.
- The board exercises diligent financial oversight.
- Working relationships among board members and with staff are harmonious.
- Each member of the board makes a personally significant financial contribution each year.
- Directors' and Officers' liability insurance is carried by the agency.

Executive Director or Board Chair E-signature: _____

The Next Curve Commitment

- We will make every effort to assess participants' skills/interests before making introductions.
- We will include your organization's information in our resources we provide our participants.
- We will respond to communications from your organization in a timely manner.
- We will periodically contact organizations to see if they are still in need of board members
