What is The Next Curve?

Part of the Renton Community Foundation, **The Next Curve** is focused on building the next generation of leaders in Renton through philanthropy and community involvement. It's simple: by pooling our members' tax-deductible annual dues (\$120 year, or more if you choose) we distribute small grants to Renton-area nonprofits, many of which operate on shoestring budgets. Since 2010, we've awarded **\$29,500** in grants!

We also provide our members with opportunities to serve on nonprofit boards and in other leadership positions within the community. As a member, if you have an interest in working with a particular organization, we'll get you connected.

For fun, we host networking and social activities open to members and prospective members alike. It's a great way to meet new friends if you're new to the community or just want to get more involved. Check our website for details on our next event, and feel free to stop by and find out what we're all about!
